Daly City Engineer Files Suit Here To Keep Position

Julius F. Castelan, engineer and street superintendent for the City of Daly City, has secured an order from Judge A. R. Cotton forbidding the city council from discharging him or halting his pay. In his petition, Castelan declared that the council had threatened to fire him and would do so unless the court intervened.

Castelan claimed protection under the city's civil service ordinance, and said he left a federal position to take the Daly City office only after assured he would be given permanent tenure.

The temporary restraining order is returnable next Monday.

Castelan asks for judgment of the court declaring his rights, privileges and duties under the civil service ordinance.

One of the first tunes used for the waltz was "Ach, du lieber Augustin."

SHOP AROUND THE CORNER

James Stewart and Margaret Sullavan are featured in "The Shop Around the Corner," currently showing at the Redwood Theater on a double bill with "The Great Victor Herbert."

Equipment Arrives For New Jail Block

Locks and steel bars for the third-story cell blocks at the county jail have arrived from Fries & Son at Covington, Ky., and construction is expected to start shortly.

Meanwhile Councty Executive Frederick Peterson announced that the contractor had posted a performance bond, and would be paid if and when the work was completed and accepted. He said he was not interested in any "squabble" over the contract. He pointed out that the county took the lowest bid at a saving of $1800.

Other contractors threatened to attack the award.

Janet P. Rogers Of Burlingame Dies

BURLINGAME, Apr. 15—Miss Janet Pierpont Rogers, active in Burlingame civic and club affairs for many years and member of the famous J. P. Morgan family of New York, died last night in Mills Memorial Hospital after suffering from a chronic illness for several months.

A local resident since 1914 when she came here with her mother, who died six years ago, Miss Rogers took an active part in the city's civic affairs. She had served as a member of the planning commission since 1936.

NOMINATED P.A. POSTMASTER

PALO ALTO, Apr. 16—Ralph W. Evans, incumbent postmaster here, was nominated by President Roosevelt today to continue in the position. The nomination was sent to the U. S. Senate.

CASH PRIZES, FUN ARE OFFERED IN 'LABEL SAVING CONTEST' HERE

Residents of Redwood City and adjacent communities are going to be in for lots of fun if they participate or assist their friends in a coming Product Label Saving Contest. The fun will be profitable, for prizes totaling $210 will be awarded.

All that contestants have to do is make purchases of the products that are identified with the contest and bring the cans, labels, bottle tops, sacks or cartons to the Tribune Contest Editor by Tuesday noon of each week so that the votes may be counted and tabulated.

A special Contest page will appear every Thursday for 13 consecutive weeks, starting May 2. Local grocers are planning for special displays of the contest products to co-operate with the participants.

Anyone, except Tribune employees or their families, may enter the contest. Judges will be representatives of local organizations.

Specific rules of the Product Label Saving Contest will be published soon.

Many Injured, None Killed In County Traffic

With the help of a traffic barricade on El Camino Real at San Bruno in the early hours Sunday, San Mateo County experienced its third successive weekend without a traffic fatality. All highways were crowded with motorists, many of them traveling to Santa Cruz for the opening of the swimming and fishing seasons.

At San Bruno, Capt. E. F. Cassell of the California Highway Patrol with five of his officers and two San Bruno police officers stopped 1171 vehicles between 12:30 and 4 a. m. Two citations for minor violations and 69 correction tags for faulty equipment were issued. No drunk drivers were found.

Many persons were injured in a series of traffic accidents.

Narrowly escaping serious injury or even death, two young men incurred cuts and bruises and one of them a possible fractured arm late Saturday when their car rolled down a hill near the giant cross in the Emerald Lake Hills.

Willard Potter, 21, 135 Nueva St., Redwood City, incurred cuts on his face. **Perry Spoor**, 32, Searsville Lake, suffered a possible broken arm. Clarence Dewlaney, 123 Regent St., Redwood City, escaped injury.

The three were riding in a convertible coupe that failed to make a turn on one of the hills. As it tumbled down the slope, the three were thrown out. The car then continued on down the hill about 200 feet before coming to a stop on its wheels, Patrolmen Otto Schramm and Lloyd Minehan reported.

Later Dewlaney, aided by friends, managed to get the car on down the hill to another road.

"OOMPH GIRL" AT SEQUOIA

Ann Sheridan and Humphrey Bogart in a scene from "It All Came True," which will be on a double bill with Jane Withers and Gene Autrey in "Shooting High" starting Sunday.

The great diamond fields of South Africa extend eastward from the mouth of the Orange River, across the Orange Free State and the Transvaal.

116% AIR BUSINESS GAIN

MILLS FIELD, Apr. 16—March brought to San Francisco Airport one of its greatest increases in traffic volume, according to Supt. M. B. Doolin. Schedules in and out increased from 656 in March, 1939, to 1414 for March, 1940, gain of 116 per cent. Mail pounds rose from 53,385 to 116,260. The number of passengers handled through the terminal was 7125.

The only island resort in Europe which is uninhabited is the Scottish Island of Staffa. Thousands visit it annually but no one lives there.

San Carlos Resident Recalled by Army

SAN CARLOS, Apr. 16—Just two years to the day after he bought his home here at 1464 White Oaks Way, Maj. Charles E. Knickerbocker today was notified by U. S. Army headquarters to be in Eugent, Ore., by May 15 to become an instructor in military training at the University of Oregon. Major Knickerbocker, who lives here with his wife, had been retired for four years. Another Peninsula transfer sends Maj. Francis J. Heraty of Palo Alto to State College, Pa.

Alfred S. Kay Last Rites Held

Funeral services were held Monday afternoon for Alfred Scott Kay of Atherton, Bank of America executive who died Saturday afternoon while preparing for a weekend trip to Carmel.

Mr. Kay, who lived on Isabella Ave. and Spencer Ln., had packed his car preparatory to going to Carmel with his wife, Vivian, and daughter, also named Vivian. He complained of a pain in his shoulder and decided to consult a physician before making the trip.

It was while he was in the office of Dr. H. L. Niebel that a heart attack seized him. He was removed to Palo Alto Hospital immediately but died about the time of arrival, around 5 p.m.

Mr. Kay was vice president in the San Francisco office of Bank of America. He had lived at Atherton about 10 years.

Besides his wife and daughter, his mother, Mrs. Annie Scott Kay, and a sister, Netta Atkin Wight, both of Honolulu, survive.

FIRE IN HILLS CONTROLLED

Clouds of smoke billowing from the mountains southwest of Redwood City on Tuesday spread fears that the first major forest fire of the season was burning. Fire Warden Bert L. Werder explained that the fire was controlled burning of slash by Santa Cruz Lumber Co. along Fall Creek, between Shrine Grove and China Grade.

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound today. Mix it with a quart of water, add the juice of 4 lemons. It's easy. No trouble at all and pleasant. You need only 2 tablespoonsful two times a day. Often within 48 hours—sometimes overnight— splendid results are obtained. If the pains do not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by Economy Drug Company and good drug stores everywhere.

MENLO PARK NEWS

REAL ESTATE ACTIVE

MENLO PARK, Apr. 18—Real estate has been quite active this week in Menlo Park, several parcels of property having changed hands. Ex-Mayor James E. Cooper has just closed a large deal which will be reported next week.

The many friends of F. W. Johnson, who has been ill for some months, will be pleased to learn that he is recovering and soon will be able to take over his place on the board of public works. Mr. Johnson is a Veteran, road builder, having constructed many of the fine thoroughfares now enjoyed by motorists and others in the third township.

All property owners are warned by the city government to remove grass and weeds on their unoccupied lots or else it will be done for them by the city and charged to their tax account. Hence get the weeds and save the situation.

The city hall was crowded Monday evening with taxpayers and other anxious to witness the reorganization of the city council. Jos. Day was elected mayor to fill the post held by James E. Cooper for the past six years. Paul F. Bryant, the other new member of the city board, was sworn in by the clerk. The new mayor made a brief speech thanking the people for their support and promised to keep the tax rate down. The new mayor said there would be no change in the board's personnel or the police department.

New commissioners are as follows:

Finance and streets—Paul F. Bryant.

Recreation and finance—J. E. Cooper.

Health and light—Capt. Hugo May.

Sworn into office were Mrs. Fannie I. Kurtz, winner of the race for city clerk, and Mrs. Frances Maloney, re-elected treasurer.

The old council, with Retiring Members Harry Lusk and Frank Beeton, authorized expenditure of $500 by the city engineer for plans and specifications for the proposed $220,000 street improvement project.

At the reorganization of the Atherton City Council Monday afternoon, J. B. Howell was elected mayor. He named the various committees as follows:

Finance—Edward Eyre, Thomas G. Packham, Charles H. Merrill.

Street—Packham, John F. Brooke Jr., Mayor Howell.

Police—Brooke, Eyre.

Health and sanitation—Merrill, Packham, Howell.

Building—Merrill, Brooke, Howell.

Charles F. Michaels of Atherton was re-appointed town treasurer. Police Chief J. E. Farrell and City Clerk Howard Boren also were retained.

T. Bryan Hunnell, Fremont St., is very low and is not expected to live. Mr. Hunnell has conducted an electic shop in town for many years. He is esteemed by all his business associates.

It was rumored this week that Jim Farley had changed his mind about moving the postoffice up Santa Cruz Ave., and had decided to establesh it on Oak Grove Ave. Jim has his mind on the Kuck property. However, the move must be made promptly for when Tom Dewey takes over the reins of government next year his postmaster general may have other plans.

The General Petroleum Co., which recently purchased the property on the corner of El Camino Real and Oak Grove Ave., will start the first of the week to wreck the old building that stood on the corner for half a century. It's to be replaced by a gas station. This will make four in a row, some not a hundred feet apart. A local wag has suggested that part of the "Village" be designated as "Gasoline Alley."

Great Power Given In New '40 Models

"One of the most important improvements in the De Soto this year," reports O. S. Oleson of Oleson & Son, De Soto-Plymouth dealers, "is the increase in power output of the L-head engine to 100-horsepower with the standard cylinder head, and 105 with the special high-compression aluminum head.

"Because this stepped up horsepower has been accomplished without increasing engine weight," Oleson added, "the 1940 models have proved to be faster in getaway, quicker in pickup through all speed ranges, and supplied with considerably more reserve power for emergencies. We are receiving many enthusiastic comments from new 1940 owners about these improvements.

"Of perhaps the greatest interest to the average purchaser, however, is the DeSoto's ability to give satisfactory performance and stay out of the repair shop.

"New to our line this year is the convertible coupe in the custom series with a top which folds up or down by power supplied from the engine. The driver needs only to turn a control lever on the instrument panel to start the top mechanism operating."

Record Touring Year Is Expected

A combination of influences—some accumulating over the last decade—should make the Summer of 1940 a record automobile touring season, in the opinion of D. U. Bathrick, general sales-manager of Pontiac Motor Division.

Bathrick points to the following circumstances which he believes will culminate this Summer in tourist-clogged highways from coast to coast:

1. Increased national income as evidenced by record income tax returns this year.
2. A greater percentage of new cars on the road because of the history-making sales activities of the automotive industry in the last six months.
3. Continuance of the two World Fairs and expansion of the National Park service will add to the Summer's motoring miles.
4. Better roads and lodging facilities.
5. The new cars are more comfortable, easier than ever to drive and gluttons for luggage.

HARDWARE 'OPEN HOUSE' PLANNED

Miss Katherine Matlock has been declared National Hardware Queen by the thousands of hardware retailers in festivities celebrating National Hardware Open House, April 25 through May 4. She is shown here on a "throne" of housewares, a prominent department of the modern hardware store.

Featuring the value and variety of merchandise found only in a hardware store, the hardware merchants of Redwood City will hold a ten-day open house as their participation in National Hardware Open House, Apr. 25 to May 4.

Hundreds of manufacturers are furnishing real values for the national event, many of which will be on display at the local stores. This merchandise includes gift items, kitchen wares and home appliances as well as other hardware items of outstanding quality.

The purpose of open house is to keep the public informed of the new and improved products featured by independent hardware retailers, and to give the public a better understanding of the broad scope of the hardware retailer's service to his community. More than 10,000 hardware dealers throughout the country will participate in the ten-day event this year.

Full Industrial Picture Given

What is undoubtedly the most complete presentation of Redwood City's industrial facilities ever made has just been compiled by the Redwood City Chamber of Commerce, after several months of study and research.

The industrial manual deals in facts, not adjectives or superlatives, being designed primarily to give accurate, factual information to any industry contemplating locating a new plant.

Included in the book are six main subdivisions, as follows: (1) Sites, including harbor facilities; (2) construction information, including a table of wage scales; (3) utilities available—light and power, with conditions, including the meteorological record and graphic schedule of rates; fuel, including coal, coke, gas, with rate schedule, and oil; water, with rates and analyses; (4) transportation; (5) resources; (6) climatic charts.

Also included are a map of the Bay Area and an industrial survey map.

Democrats Indorse Farm Debt Measure

The Wheeler-Jones bill for federal refinancing at low interest of farm debts and long-term amortization of farm mortgages bore the indorsement of the Eighth Congressional District Association of Democrats, as the result of the weekend meeting at Watsonville, leaders from Redwood City who attended reported here.

Action to support the move followed an appeal made by Wilford Howard of Santa Rosa, assistant secretary of the Democratic State Central Committee, who described the condition of California farmers because of increased debt and foreclosures.

Mrs. Neenah Hastings Lesseman of Redwood City pleaded for a united party for the 1940 congressional elections. A. V. Swift of Redwood City and others also spoke, including Capt. G. T. January of San Francisco, who analyzed the policies of Thomas Jefferson in terms of present-day problems.

For the killing of a cat or dog in Panama, there is a fine of $25.

Hundreds Join Scout Outing

Hundreds of Boy Scouts, scouters, and parents trekked to Redwood City over the weekend for the 1940 Southern Division camporette.

Parents gathered Saturday evening for a campfire ceremony lead by Scoutmaster Robert Manning of Troop 160, at which were presented stunts, songs, and skits from each of nine participating troops.

Troop 163 of Atherton was awarded top honors in the camping competitions concluded Sunday, winning permanent possession of a gold cup emblematic of the championship of the Southern Division.

Featured Saturday afternoon was a series of interpatrol competitions under the direction of Camp Commander Robert Copp of Atherton.

OPENED ON FRIDAY

The camp opened Friday evening with the arrival of Troops 105, 120, 143, 160, and 162 of Redwood City; Troop 153, San Carlos; Troop 169, Woodside; Troop 163, Atherton. One hundred seventy-five Scouts and Scoutmasters participated in opening ceremonies Saturday. Divided into 21 individual patrols to be judged on camping efficiency, the Scouts cooked, ate, and slept on plots of ground 25 by 25 feet square to demonstrate their ability to do good camping with only those materials carried with them to the camp.

In charge of the troops for the camp were Scoutmaster Art Gillard, Troop 105; Patrol Leader Charles Gray, Troop 120; Scoutmaster Hamilton Day, Troop 143; Scoutmaster Howard Demeke, Troop 153; Scoutmaster Leland John, Troop 169; Scoutmaster Robert Manning, Troop 160; Scoutmaster Leslie Grimes, Troop 162; and Scoutmaster Richard Helfrich, Troop 163.

Advocates of the universal language, Esperanto, claim it can be learned with less than an hour's study.

KIRBY'S 2411 Broadway

Verbal Bouquets Tossed at Council Meeting; Problems Listed

Verbal bouquets were tossed at the public, at the press, at city employes and officials, and at each other by city councilmen during the formalities of reorganization Monday night.

To take it chronologically after transaction of routine business and canvass of the election returns for the first hour and a half of the three-hour session:

Outgoing Mayor Louis C. Christensen before relinquishing the chair expressed a "great pleasure and privilege" in serving as mayor, declared he had "made every effort to fulfill the obligations and duties" of his office satisfactorily, and thanked his fellow councilmen and the public for co-operation.

Retiring Councilman William Hohn, who also expressed pleasure at being permitted to serve a four-year term on the council and declared that he had done his duty to the best of his ability, recalled that "though we have differed on many things, as we left the council chambers we have always been friends."

Retiring Councilman Paul A. McCarthy paid his respects to Mayor Christensen for having "very well fulfilled his duties"; congratulated the city for obtaining such "fine, public spirited citizens" for new councilmen; paid tribute to city officials, especially the city manager; lauded the Redwood City newspapers for accurate reporting and "fair and just criticism when offered," and pointed out that there had been a consistent improvement annually in the affairs of the city.

Outgoing Councilman Robert N. Jones, after declaring that "some who voted against me actually did me a favor," said that his eight years on the council were "about enough for me," and said that "now I feel I can go home and take a rest."

After Councilman Hohn had moved to adjourn "sine . . . sine . . . what is it? . . . sine die" and the motion had carried unanimously, City Atty. Albert Mansfield swore in the new councilmen, who promised to support the constitutions of the United States and California and fulfill the duties of councilmen to the best of their ability, whereupon City Clerk B. E. Myers presided until election of Harold F. Anderson as mayor.

Immediately taking over his post, **Mayor Anderson** spoke briefly of the gratification felt at being so honored; declared he was "mindful of the duties and responsibilities" placed upon him; recalled that in his 38 years in Redwood City the town had grown from a village of 1500 to a city of nearly 15,000, and pointed out that it must continue to progress. He then cited some of the problems faced by the new council (see end of story).

Newly-elected Councilman Floyd D. Granger assured the mayor and fellow councilmen of support and co-operation, urged 125 citizens who were present—largest council audience since the new building was built—to come back to meetings as he had done quite regularly for five years, and made a pledge: "I promise you that any action I take will not be for personal gain."

Newly-elected Councilman William M. Werder also pledged co-operation, thanked voters, and pointed out that the new council represents different occupations and ages. "We're due for what I hope will be four very successful years," he concluded.

Maj. H. W. Edmonds, third of the new councilmen, asserting he realized the duties and responsibilities imposed on him, promised co-operation and declared he would "approach all questions that come before this body with an open mind."

Councilman George W. McNulty, re-elected to start his 25th year on the city board, pointed out that petty politics had never had a place in Redwood City's official family and declared: "No city has a cleaner or better government than Redwood City has now."

Holdover Councilman Evans A. Fletcher urged members of the audience to return; told of the feeling of co-operation existent on the council even though members do not always agree on all subjects; promised to stand up for what he believes is right "even if I have to stand alone," and declared Redwood City "must go forward." "We are living in the garden spot of the nation," he declared, "and if we put our shoulder to the wheel we can make this one of the best-known cities in California."

To conclude the ceremonies, outgoing Mayor Christensen congratulated the new mayor and councilmen. "I hope we will get along—and I know we will," he declared.

Problems facing Redwood City's council as listed by newly-chosen Mayor Harold F. Anderson are as follows:

Expenditure of about $3000 for sewer improvements and extensions.

Street light and wiring expenditure of about $1300.

Retirement system for employes.

Installation of two-way police radio, about $1850.

Increase in police department personnel—$3600 a year in salaries, $100 in uniforms.

Paying for Lexington Ave. paving, about $750.

Paying for Laurel St. paving, about $1350.

Paying for alterations to firehouse, about $2000.

Instalation of two-way radio for fire chief's car and one service car.

Listed as "desirable" were:

Paving of some of the area around the city hall and lighting the civic center.

Improving the corporation yard and warehouse at an estimated cost of $400.

Building a grandstand or band platform in Native Daughters Park at a cost of at least $600.

Replacement or relocation of the "Climate Best by Government Test" sign over El Camino Real when that highway is widened (estimated cost of relocation: $200; of replacement so it could be placed over wider highway in same location: $2000).

Widening of Jefferson Ave. near post office.

Burial of power and telephone wires on El Camino Real and installation of electroliers on the highway.

Extension of Broadway.

Maintaining a police office open 24 hours a day.

Civil service installation.

Recreation program extension.

Repossession and sale of delinquent lots.

Continuance of cleanup campaign.

Beautification of city entrances.

Securing of new factories and industry.

Listed by the new mayor as undetermined were the requirements of the Port of Redwood City and of the city library.

Hohn Goes North For Long Vacation

Freed from his duties as city councilman, William Hohn planned to leave here for Middletown, Lake County, to spend the next several months with his daughter and son-in-law, Mr. and Mrs. Albert Phillippi, on their ranch there.

"After 54 years as a grocer," Mr. Hohn explained, "I feel like resting a while—not retiring, but I will leave the active attention to my business (Hohn's Broadway Groceteria) to Theron Seitz and my daughter, Dorothy Hohn Seitz, with the co-operation of efficient Coworkers Frank Ohlson and Irene O'Neil, who have been in my employ a good many years.

"The service I have tried to give will continue."

Mr. Hohn said he might return to Redwood City for short visits, but that he planned to spend virtually all his time in Lake County until next Fall.

Of the 21 islands in the Hawaiian Archipelago, eight are inhabited.

Floyd Granger Gains 'High Man' Honor Through Absentee Votes

The honor which William M. (Bill) Werder had held since Wednesday morning—Apr. 10—of being "high man" in Redwood City's council election of Apr. 9—was passed to Floyd D. Granger Monday night when absentee ballots were tallied.

With four of the five absentee voters casting ballots for Granger, while Werder secured only one, Granger's official total became 1675; Werder's, 1673.

The close race of the two men was the feature of the ballot opening. Werder drew the first absentee's vote. The ballot was a "single shot," on which none but Werder drew a vote.

But each of the other ballots contained a vote for Granger, so that when all but one had been counted, he had 1674 votes to Werder's 1673. Because the last vote could have brought about a tie, there was considerable suspence as City Atty. Albert Mansfield opened the final ballot. When he called out a vote for Granger—and for three more candidates other than Werder—the audience laughed, and Werder and Granger, who had been sitting next to each other in the front row of the spectators' seats awaiting the taking of the council chairs, shook hands.

The final official vote showed the following results for the election of last Tuesday, with the absentee votes in parenthesis:

Granger, 1675 (4); Werder, 1673 (1); Maj. Henry W. Edmonds, 1616 (1); George W. McNulty, 1552 (3); Robert N. Jones, 1365 (3); Sanford T. Ratliff, 885; Peter Sorensen, 830 (1); Teddy Lauman, 622 (1); Frank A. De Patta, 610 (1); Calvin S. Grandi, 553.

Two changes were found in the ballot proposition result during the canvass, but neither affected the outcome of the charter amendments and merit plan proposals, all of which carried.

In Precinct 8, the "Yes" vote on Proposition 2 had been shown on the unofficial tabulation as 188, whereas the correct vote was 168. On Proposition 6, the "No" vote had been given as 194 when it should have been only 94.

Corrected, the ballot propositions showed (with absentees in parenthesis):

Proposition 1—Yes, 1646 (4); No, 896 (1).
Proposition 2—Yes, 1583 (3); No, 918 (1).
Proposition 3—Yes, 1525 (3); No, 890 (1).
Proposition 4—Yes, 1542 (3); No, 860 (1).
Proposition 5—Yes, 1678 (3); No, 770 (1).
Proposition 6—Yes, 1942 (3); No, 983 (2).
Proposition 7—Yes, 1671 (3); No, 1252 (2).

Only other error found by the canvass was in number of votes cast. Precinct 7 had reported 517; actually there were 526. With the five absentees, the total vote cast thus was 3198, instead of 3184, or nearly 50 per cent of the registered 6427.

Sequoia High
Senior Gets An Autograph

It all started the other day when Miss Rose Roy, ace senior girl reporter for the Sequoia Times, was assigned to get an interview from Alexander Woollcott, star of the current "The Man Who Came to Dinner."

Try as she might, Miss Roy got nowhere. According to the story she wrote on her failure to get an interview, here is what happened:

"The method chosen by the almighty Woollcott to evade the hordes of voracious autograph and interview-seekers is faintly reminiscent of a ten-ton truck on a spree. Mr. Woollcott stands well back from the stage door . . . leaps from the door clutching his coat, papers, and cane with all the eclat of Ivanhoe chasing King Arthur."

"Mr. Woollcott's aversion to interviewers is explained by his secretary with the statement, 'I turn down ten letters a day looking for interviews'."

For the split second Miss Roy did see Mr. Woollcott she heard him bark at her—"I NEVER give autographs!"

Well, anyway, it made an interesting story. But you haven't heard the finish yet. Someone sent a copy of Miss Roy's Times' story to Herb Caen, San Francisco Chronicle columnist, who mentioned it.

Mr. Woollcott found out he hadn't heard the last from Miss Roy. But still trying not to be out-done, he wrote the following letter to Miss Roy:

"Dear Miss Roy — There you are! You wrote a much better story than if I had told you how I like San Francisco and "The Man Who Came to Dinner!" Sincerely yours, A. Woollcott."

Anyway, Miss Roy has Mr. Woollcott's "very private" autograph!

12-Acre Atherton Estate Is Purchased

Mr. and Mrs. James M. Mannon Jr. of Presidio Terrace, San Francisco, have purchased the 12-acre Schwabacher estate in Valparaiso Park, Atherton, according to a deed recorded here at request of California Pacific Title & Trust Co. Indicated price was $30,000.

Mannon is a member of the San Francisco and Los Angeles law firm of McCutchen, Olney, Mannon & Greene. The seller was Mrs. May K. Schwabacher, wife of Albert E. Schwabacher, vice president of Schwabacher-Frey Co.

The first savings bank was said to have been instituted at Berne, Switzerland in 1787. It was for servants only.

Only one-fifth of the area of Greece is arable.

Safeguard Set For Motorists

Pointing the way for motorists to avoid trouble, and thoroughly enjoy their Spring and Summer touring. This would be a good title for a special-offer service instituted today by the experts in charge of Mobilgas stations in this area.

Making what is declared to be a tremendous contribution to the safety, comfort and economy of motoring, the offer is announced under the name of "Summer-proofing."

"This name," says F. W. Gibbs, local manager for General Petroleum Corporation, "stands for preventive service, the kind of checkup that avoids breakdowns, delays, grief and expense for automobile drivers. It enables them to make sure their cars are in safe, smooth, satisfactory operating condition for the long Summer season ahead. It enables them to make sure their cars will stand the strain.

GIBBS

WEAKNESS DETECTED

"By means of this preventive-service, the local Mobilgas specialists are assisting motorists of this community by tracking down and 'spotting' such enemies as suspicious-looking tires that might blow out; weak or broken spark plugs; batteries or battery cables that might fail; lighting systems that might go blind; windshield swipes that prevent clear vision; grease 'taffy' that might strip the gears of expensive transmissions and rear ends; motor sludge that might cause ruinous damage to bearings, pistons, rings, valves and cylinder walls; cooling systems so clogged with rust and sediment as to cause overheating and many attendant ills; choked air cleaners that rob motorists of mileage; wheel bearings that might burn out because of neglected lubrication; and other conditions that threaten to leave motorists stranded and helpless on the road."

New Streamliner Set For Eastern Travel

Providing additional de luxe accommodations for travel between eastern points and San Francisco this Summer, a new, all-Pullman streamlined train, the "Treasure Island," will be placed in service on the Overland Route for three months, beginning June 19, H. A. McNair, local agent for Southern Pacific, announced today.

The new train, to be operated jointly by Southern Pacific, Union Pacific and Chicago & North Western railroads, will make a roundtrip every six days. It will enter service from Chicago and will stagger its trips with those of the streamliner "City of San Francisco," and the "Forty-Niner."

GIRL KICKED BY HORSE

SAN MATEO, Apr. 15 — Miss Virginia Peters, 14-year-old San Gregorio girl, was treated at Community Hospital Saturday night for a fracture of the right leg and fracture of one rib. She told hospital attendants she had been kicked by a horse as she entered the barn at her home.

Exchange To Sponsor Queen Candidate

Second service club to decide on participation, the Redwood City Exchange Club Tuesday voted to sponsor a queen candidate in the pre-July 4 celebration contest being arranged by the city recreation department. The Lions Club already had voted to participate.

Named by the board of control as a committee to select a candidate were John C. Beard, Dr. Stanton R. Burns and Clarence J. Holt. Holt, clerk in the office of the Shell Oil Co. here, was received into the club last evening as a new member.

The evening's session was devoted to business and committee reports, and to biographical talks by Charles J. Prelsnik and Fielding McDearmon, recently admitted members, and by Holt. Prior to the meeting, final touches were put by members on a new club road sign erected in front of the Cafe de Paris, regular meeting place of the organization.

Infant Death Rate On Peninsula Low

San Mateo County's infant death rate was but slightly more than half the state's average in 1939, a compilation made by the Department of Public Health disclosed in Sacramento.

While the state's deaths among infants was 42.1 per 1000 live births, San Mateo County's average was 22.4. The state's rate was a drop over 1938's 43.8 deaths per 1000.

Alpine County, where one child was born—and died— in 1939, had the highest death rate—1000. Glenn County was low with 13.8.

Babies are more susceptible to altitude sickness, in airplanes, than adults.

East Palo Alto Defeats Bonds

EAST PALO ALTO, Apr. 7—A proposal to bond the Ravenswood School District for $55,000 to erect the first unit of a new four-unit school plant failed yesterday by 12 votes to win the necessary two-thirds majority.

Of the 465 votes cast, 298 were "Yes" and 167 were "No."

To carry, the proposition needed 310 votes.

Interest in the election was indicated by the rush of residents to the polls, particularly between 5 and 7 p. m., when they formed a long waiting line.

$20,000 COST FORESEEN

County Engineer M. A. Grant estimated it would cost at least $20,000 to restore the abandoned right-of-way. About $18,000 would be the cost of replacing the guard rail, most of which was stolen, he reported.

Opposition to the bond issue, observers said today, appeared to come from four groups:

The economy bloc, taxpayers who felt that with a sewer bond issue coming up soon no further levies could be paid.

The board will probably meet Monday night, Chairman John I. Cleese said today, to decide what to do next about the overcrowding of the old building. He said that the board had already tried to get WPA or state funds but had been informed that none were available.

BOARD SENDS CONDOLENCES TO BRASIERS

The county board of supervisors Tuesday entered the controversy over the death of Gwendolyn Brasier, Burlingame infant who died in a San Francisco hospital after an operation to remove a bean from her lung. Previously Executive Frederick Peterson demanded that Dr. Meade Mohun, throat specialist on voluntary service at the Community Hospital, be ousted from the staff and that the county board of health nominate a successor to Dr. C. C. Gans, county health director.

On motion by Supervisor Fred E. Beer, the board authorized a letter of condolence to Mr. and Mrs. Ernest Brasier, parents of the child.

"There has been a lot of talk both here and in San Francisco about this case," Beer remarked. "I have gone into the matter carefully. I have consulted members of the medical profession, and I have come to the conclusion that it was a most unfortunate affair. The child had the best of medical care and attention. The operation was performed by the best of experts in the Bay Region."

Chairman H. H. Smith followed with the suggestion that the board express to the San Mateo County Medical Association its appreciation of the "splendid cooperation" between the society and the county health director, and with the Department of Health and Welfare, which contribute to the efficiency of the Community Hospital. The suggestion was adopted.

In the past year, the average butterfat production of standard herds in Tulare County has been increased 13 pounds, to a total of 312.2 pounds.

ORDER TO SHOW CAUSE ON APPLICATION FOR CHANGE OF NAME OF INDIVIDUAL.
No. 31104—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of ERNST TUKATSCH for Change of name.

WHEREAS, ERNST TUKATSCH has filed his petition with the clerk of this court for permission to change his name from ERNST TUKATSCH to ERNST FRANZ TURNER;

NOW, THEREFORE, it is hereby ordered that all persons interested in the matter aforesaid appear at Department No. 2 of the said superior court at the courthouse in the City of Redwood City, County of San Mateo, State of California, on the 22nd day of April, 1940, at the hour of 10:00 o'clock a.m. of said day, and then and there show cause, if any they may have, why the said application for change of name should not be granted.

It is further ordered that a copy of this order to show cause be published in Peninsula Beacon, of San Mateo County, California, for four successive weeks next preceding the date set for the hearing thereof.

Dated: March 16, 1940.
